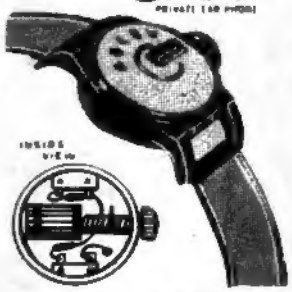
WONDERFUL CRYSTAL

WRIST RADIO

RECEIVES BROADCASTS UP TO 50 MILES
WITH ATTACHED ANTENNA
WEAR IT LIKE A WATCH
LISTEN IN LIKE A RADIO



Wow! A wrist radio like the one used by the famous detective character that really works. Yes, imagine receiving broadcasts up to 50 miles, using the antenna attachment. Without attaching the antenna lead-in clip (which is included), to a substantial antenna such as the dial stop on a telephone, reception is limited to a few miles. Think what fun it will be to have your own personal wrist radio that actually permits you to listen to your own programs without disturbing others, and there are no batteries, no tubes—nothing to wear out. Makes detective and battle games seem more real, pretending to transmit messages, and getting help in the nick of time. Complete with private earphone.

BOYS! MEN! I'LL HELP YOU MASTER YUBIWAZA

– says N.J.FLEMING – YUBIWAZA MASTER

*(YUBIWAZA IS THE SECRET, AMAZINGLY EASY ART OF SELF-DEFENSE THAT TURNS JUST ONE FINGER OR YOUR HANDS INTO A POTENT WEAPON OF DEFENSE—WITHOUT ANY BODILY CONTACT...)

In just 2 hours after you receive "YUBIWAZA" you will be on your way to being an invincible Yubiwaza Master, at home, this Fast, EASY picture way or it costs you nothing.

WHAT YUBIWAZA CAN DO FOR YOU IN JUST A FEW SECONDS . . .

11:03 P.M.—You return from dance. Hoodlums throw insulting remarks to your date.

11:06 P.M.—They attack you with fists and bottles. You counterattack with YUBIWAZA . . .

11:06 P.M. PLUS 7 SECONDS — You are untouched — while every hoodlum is on the run

The VITAL Decision is YOURS to make! Which shall it be? ☐ To play it "chicken" by running away? ☐ Be a "hothead" and be beaten up? ☐ Mail coupon now and be prepared with Yubiwaza to send your attackers flying!

"I WEIGH ONLY 98 LBS. — YET I CAN PARALYZE A 200 POUND ATTACKER WITH JUST A FINGER —BECAUSE I KNOW YUBIWAZA!"

. says Yoshie Imanami — Pretty Japanese wife of N.J. Fleming — Yubiwaza Master

I'M A 3rd-DEGREE HOLDER OF THE BLACK BELT—SYMBOL OF HIGH PROFICIENCY IN THE JAPANESE SYSTEM OF SELF-DEFENSE THAT USES NO WEAPONS BUT BARE HANDS. I spent many years in Japan learning these little-known SECRETS. The most amazingly effective of all Self-Defense techniques that stood out in ALL my Japanese Training is contained in my AMAZING new Yubiwaza book - all yours to have if you ACT NOW. YUBIWAZA is the name of a fantastic system of Self-Defense that makes use of an EASY-to-Learn knowledge of vital body areas and the techniques of the use of just ONE Finger or the entire hand to counteract & overcome ANY violent attack. It is commonly known that with the aid of Yubiwaza, young men - and girls, too! - with only a few hours of training, turn back 2, 3 and even 4 attackers - temporarily DISABLING ONE, putting another to flight, making a third howl with pain, while the fourth begged his opponent to stop!

NOW YOU TOO CAN LEARN YUBIWAZA!

The experts in Japan, who know and teach these ONE-finger techniques, have now explained that YUBIWAZA is a centuries-old system of Self-Defense which is so simple and so effective that outsiders were never instructed in its use. The system was restricted to Japanese who SWORE to apply these methods only in time of danger and attack by an aggressor. Many of the very techniques in my Yubiwaza book, once highly guarded secrets of the ancient Samurai warriors never shown to outsiders are now shown to you - FIRST time!

EASY -- And I am now ready to show you, too, through clear, easy-to-understand photos, every secret. I guarantee to make you a YUBIWAZA specialist in hours—or every cent you paid will be refunded. You don't have to attend my school where I train beginners like you and turn them into experts. Now I can show you how to practice YUBIWAZA in the privacy of your own home with only a few minutes of practice a day. I'll show you how to defend yourself against hoodlums, bullies, "wise guys" and juvenile delinquents who respect neither lives nor property.

When you apply YUBIWAZA methods, you can cut an aggressor down with JUST ONE FINGER! You can disarm an opponent rushing you with his fists, a broken bottle, a revolver or any kind of bludgeon. You can turn an aggressor's attack into your advantage with only one finger or your bare hands. No matter how "hot" the action gets, YUBIWAZA keeps you "on top." You can apply simple pressure of your finger against any one of a dozen or more vital nerve centers of your opponent and watch his gun or knife fall from his limp hand while he himself sinks to the ground completely helpless and faint. If the neighborhood bully pushes you, you can make him say "uncle" quickly —with the help of YUBIWAZA!

MASTER EVERY SITUATION!

Make no mistake! The world is crowded with anti-social enemies who think nothing of sticking a knife into the ribs . . . or attacking peace-loving citizens just for the fun of it . . . or molesting boys and girls shamelessly. There is a crying need for a system of self-defense that relies on KNOWLEDGE, not big muscles or strength . . . that depends on TECHNIQUE — not on weight or size of body . . . that is based on simple TRAINING—not on illegal possession of weapons.

When you know YUBIWAZA you can disarm and disable your opponent in seconds. You can repel a mugger who grabs you from behind—no matter how big he is or how much he weighs. Instantly you know WHERE to attack, and how. You learn the body's major vulnerable regions, the defense or on-guard position to take, and your body's personal weapons which you can apply to maximum advantage. I have jam-packed all I know about YUBIWAZA into my Guide, which I have profusely illustrated and clearly explained. I take you step by step through the fundamentals of this amazing system so that you understand clearly and immediately how these effective principles work. You learn those tricks used by marines, police and G-men . . . how to floor any bully. . . . how to touch vital spots that will make any attacker helpless. No matter whether you are big or small, strong or weak, you can overpower practically any opponent with lightning speed!

BECOME A NEW MAN!

Knowledge of YUBIWAZA will turn you into a NEW MAN even if you never actually have to use it! For you will become SELF-ASSURED through your ability to handle yourself. You will walk with a determined and confident air secure with the knowledge that NOTHING can frighten you . . . that you can deal with ANY man, ANY weapon, ANY situation—and that you can do all this with NO bodily contact! And you will win respect and admiration from everyone.

Thousands of men of all ages have won confidence and respect by learning YUBIWAZA. YOU can do the same! You owe it to your own peace of mind . . . to your friends and loved ones—to be able to defend yourself in these days when attack may come at any time and place from hoodlums, criminals and delinquents. So mail Coupon NOW for my COMPLETE Instruction on YUBIWAZA. If you and your friends don't say that YUBIWAZA has made a NEW MAN out of you, every cent will be refunded!

"Si-Ta-ta."

There was much activity on the outskirts of the young settlement that was growing up near Fort Wallington. A group of older men were busy chopping down trees. A group of younger men were burning the stumps that remained. It was quite evident that the purpose of all this activity was to clear the land so that crops could be grown.

"Mighty smart man, that Colonel Raven is, to look ahead and see we have plenty of good food for next year," remarked Lem Deonter.

Not all the people were pleased with the idea of turning into part time farmers. The Johnson twins, Sam and Tom, were with the younger group that were charring the tree stumps.

"We were raised on a farm in New England," complained Sam. "We came out here with our father for something different. We want to hunt and fight. The colonel has no right to tell us to go east across the mountain range by ourselves. I know there must be lots of deer and buffalo."

"The colonel is a military man," replied young Jed Harper. "I guess he doesn't see things the way we young folks do. On the other hand, he knows the dangers of this country. The Indians call the land east across the mountain range Too-ga-cha. Means something about a swamp land that can swallow you. You must cross that land to get to the buffalo country. The redskins know where the stones are so that they won't slip into the swamp land. Next month, the colonel is going to take some of us there with him."

Sam Johnson muttered something under his breath about not waiting until next month. He picked up his rifle and at the same time his twin, Tom did the same. They started to walk in the direction of the fort. Coming towards them was the famous man of the frontier, Colonel John Raven.

"Good morning colonel," said the twins in unison. "A most pleasant day it is, sir."

"Good morning to both of you," replied the colonel a bit sternly. "Why aren't you helping them burn down the stumps?"

"We have to make some bullets for our rifles," explained Sam. "I am going to heat the lead and Tom will take care of the moulds."

The answer was truthful and the colonel was satisfied with it. He continued on his way when he became conscious he was being followed. He turned around to spot his best friend and companion, Charles Collins. He was much shorter than the colonel and tended to be somewhat round. But appearances they say are deceitful. For he was agile and quick. His eyes were keen when sighting his rifle.

"No wonder the redskins say that when you walk you seem to fly like the blackbird. I almost lost my breath catching up to you. General Henderson wants you back with me at the fort. Just received a communication from Washington."

In less than an hour, Colonel Raven and Chubby Collins were in the officer's room at Fort Wallington. The general arose from his chair and opened the door.

"Half pleasant news for you, Colonel Raven," he remarked. "I have a communication from Washington. They are going to send us some more soldiers to reinforce the fort. But the not so pleasant news is that they are raw recruits. It will be up to you, Mr. Collins and Chief Pa-Cha-Ni-Kita to train them in frontier methods."

The two men spent the day at the fort. They decided to remain there overnight since the

Indian chief was expected in the morning. But at sunrise a couple visited the fort. They waited until the colors had been raised. Then Mr.&Mrs. Walter Johnson told the news to the colonel.

"The twins must have left the cabin during the early hours of the night, and headed for the mountain range. We should have suspected something was in their minds when we saw them making balls for their rifles. If they get over the mountain range, they may never come back alive."

"That is correct," agreed the famous man of the frontier. "Chief Pa-Cha-Ni-Kita will be here soon. If we can head them off before they cross the mountain range, then it will be good. But once across that range, we may be too late. I am certain the chief will help us."

Chief Pa-Cha-Ni-Kita arrived at the fort with some of his braves. He listened to the story and then said it would be best if they started out at once.

"Only the three of us," he advised. "I will send my braves back to the village. We must travel light. No rifles, but we can carry pistols. For food we take only dried corn."

The trained eyes of Chief Pa-Cha-Ni-Kita picked up the trail of the twins. This they followed until sunset.

"We must wait until the sun rises again from her sleep," said the chief. "In the dark of the night, I can not follow the trail."

"But they may be travelling even during the night. They may figure we would come out after them."

"The light of the moon does not show my eyes the prints of their feet," pointed out the chief. "We are tired. So let us rest."

The next morning the sun rose and the three men continued their upward journey. Standing on the highest point of the mountain they could see a long distance below and ahead of them.

"I see two men moving into the swamp land that swallows," observed the chief. "Two fools who peril their own lives as well as ours. If they were in my tribe, I would banish them."

By noon the three had successfully made the descent. In front of them was the swamp land. The Indian chief pointed to some logs and stones.

"There is the trail they left. They cannot be far from here. I shall go first and you two follow me."

According to a legend, years ago a wise Indian decided to place stones at certain places in the swamp land. Thus if pursued by hostile Indians, they could retreat safely while the pursuers would be enmeshed in the mud.

The shouts of the two youths reached the ears of the three men. Towards the left of a big tree they spotted the twins. They were in mud almost up to their shoulders. And their faces would need a good scrubbing. Around the body of the chief was wound a coil of fine strong rope. He threw one end to one of the twins who caught it on the third throw.

"We must pull him out slowly so not to injure him," cautioned Chief Pa-Cha-Ni-Kita."

Sam was rescued first and then Tom. Carefully they all retraced their way back to hard land.

"What happened to your rifles?" demanded the colonel.

"I tried to pull Tom out of that mud," explained Sam. "I lost my rifle and he lost his."

"Then how will you do any hunting for the rest of the year?" continued the colonel. "You can't expect a man to lend you his rifle. And where will you get the money to purchase them?"

Two crestfallen brothers arrived back at the fort. They were welcomed by their anxious parents.

"No words can express our thanks to the three of you," said their mother. "I think they have had a lesson they will never forget."

The Indian chief had a sensible suggestion to make to the twins.

"My people have silver dollars which we received as part of our treaty payment. We need trees chopped down. You two come and do this for us. Then I shall give you both enough silver dollars to buy two good rifles."

The twins were grateful and worked hard. The Indians respected them and called both of them by the name their chief had given to them, "Si-Ta-ta." When they returned to the settlement they purchased the rifles.

"Colonel Raven," asked one of the twins, "What does Si-Ta-ta mean in English?"

The famous man of the frontier laughed and then replied.

"Mud-in-the-Face.'

ENTIRELY NEW METHOD

Until recently the process of hypnotic induction was largely based on trial and error methods which succeeded mainly with subjects who were highly susceptible to hypnosis in the first place. The truth is that these highly susceptible subjects make up a very small percentage of the population. That is why amateurs and beginning hypnotists have so often been disappointed in their attempts at trance induction. Now, however, recent scientific research has developed ENTIRELY NEW METHODS that are not only sure fire in their results but quick and easy to achieve! For the first time, these new methods are presented in HOW TO HYPNOTIZE in language that you can easily and successfully follow on the very first reading!

SHOWS YOU STEP BY STEP

This book — which has been acclaimed by doctors and psychologists — is guaranteed to give you all the know-how necessary to induce the trance state in others. It not only explains the latest discoveries in hypnotic induction, but it shows step by step, move by move, exactly how to bring on the trance; how to transform the trance into deeper and still deeper states; and how to terminate the trance quickly and effectively without any dangers whatsoever. You are even given alternative methods, so that you can actually chose the one that suits you best.
